

Academic PROGRAMS

Montcalm Community College prepares students for great careers in high-demand, high-wage fields. We offer small class sizes and class times that fit students' schedules on our campuses in Sidney and Greenville, and in our classrooms in Howard City and Ionia. For more information, visit www.montcalm.edu or call (989) 328-1277.

Long-Term Care Nurse Assistant (Job Training Program)

Classroom lecture, simulated labs and supervised clinical experience in long-term care facilities are combined to provide the basic nursing skills and knowledge necessary for students to give patient care appropriately and safely. Upon successful completion (C or better grade) students are eligible for employment in health care facilities and to apply for the State of Michigan Competency test. This course can also be used to articulate into MCC's nursing program.

Medical Assistant (Certificate)

Classroom lecture and hands-on training in a health care setting are combined to equip students with the skills needed to perform administrative and clinical duties under the supervision of a licensed health care practitioner. Students completing this certificate program are qualified to work as a medical assistant in a variety of settings including medical offices, outpatient facilities, health maintenance organizations, health departments, business and industry and insurance companies. All courses must be completed within two years to facilitate student success in the externship setting and the national certification exam.

Medical Office Administration (AAS)

This program prepares students with skills in basic accounting, business correspondence, technology, office procedures and other office-related tasks, who wish to specialize in medical transcription and medical office procedures for employment or advancement.

Nursing (AAS)

This program prepares students for employment opportunities as nurses. It is designed to provide the credits necessary for eligibility to take the nursing licensure examination to become a Registered Nurse (RN), and transferability for a bachelor's degree in nursing. Admission to MCC's nursing program is based on seat availability and is limited based on regulatory agencies and program requirements.

Skilled Trades (Certificates)

Four certificates prepare students for skilled trades jobs. The **Skilled Trades – Industrial Automation Maintenance Certificate** trains students in basic robotics and automation. Coursework focuses on electronics, industrial technology and automation. The **Skilled Trades – Machinist Certificate** trains students in basic industrial machining. Coursework focuses on electronics, CNC and tool and machine operations. The **Skilled Trades – Maintenance Mechanic Certificate** trains students in basic industrial maintenance. Coursework focuses on electronics, PLCs and machine operation. The **Skilled Trades – Tool & Die Maker/Designer Certificate** trains students in basic industrial machining. Coursework focuses on electronics, CNC and tool and die design.
