

“We have a whole new generation of students who are doing everything from their cell phones.”

Jessica Herrick
— MCC Director of Financial Aid

Filling out the Free Application for Federal Student Aid (FAFSA) just got easier.

The new myStudentAid app allows students to complete their FAFSA application anytime and from anywhere using their mobile phone.

“We have a whole new generation of students who are doing everything from their cell phones,” said MCC Director of Financial Aid Jessica Herrick. “They can do anything through the app that they can do on the FAFSA website.”

The myFAFSA component – which is used to complete the FAFSA form – is the app’s featured function. Key features include:

- Students and parents may begin, complete and submit a new or renewal FAFSA form for the 2019-20 FAFSA processing cycle.

- Users are offered a customized experience based on their role – student, parent or preparer. The app provides guidance on how to complete the FAFSA questions.
- Users have a secure experience with the same data protections as completing the FAFSA form through fafsa.gov.
- Students and parents may use the IRS Data Retrieval Tool (IRS DRT) to electronically transfer federal tax return information into a FAFSA form.
- Users may view additional information about the schools they selected on their FAFSA form for easy comparison of schools.

In addition to myFAFSA, the myStudentAid mobile app provides links to the following services:

- Profile: Manage username and password (FSA ID).
- myFederalLoans: View federal student aid history.
- myCollegeScorecard: View and compare information about schools.
- Contact Us: Get in touch with Federal Student Aid contact centers to have questions answered.
- StudentAid.gov: Access Federal Student Aid’s key source of information about the federal student aid programs, application process and loan repayment options.

The myStudentAid app may be downloaded in the Apple App Store (iOS) or Google Play (Android). Users who downloaded the app prior to Oct. 1, 2018, must download an update to access the 2019–20 FAFSA form.
