MCC Core: Creating Opportunity Through Education

Core Values: We clarified the language of each of our values.

- You Belong Here
- We are a Gateway of Opportunity
- We Value and Grow our People
- Community is our Middle Name
- We Work on the Institution, Not Just in the Institution

Core Pillars:

- Students
- Academics and Other Programming
- Community
- Employees
- Campus Environment

Key Meeting Highlights:

- **Opening:** Dr. Barrack provided a review (see above), discussion, vision, and thanks to the committee.
- **Pillar Progress:**
 - Each Pillar has a leader and a TBD committee.
 - Academics and Facilities presented a draft of the goals within their pillars.
 - The full committee broke into Employees, Students, and Community groups to discuss goals.
- **Future Steps:**
 - MCC will use this plan to guide their work.
 - Pillar leaders will collaborate with their committees to ensure transparency and accountability.
 - MCC's Communications Team will develop materials to share the finalized plan.
 - Regular biannual (TBD) updates will ensure continuous progress and alignment.

Next Steps:

Stay tuned for progress updates as MCC works toward a future that supports every student, employee, and community member!
