- Opportunity
- Resources (changed from resourcefulness)
- Education

Pillars – goals and strategies- Concepts are FINAL but actual wording TBD

- Students
- Programming/academics
- Community (community is at our core)
- Employees
- Facilities

HOMEWORK :)

Kevin will send a form:

- VALUES: If you have a preference, suggest a sentence to describe each of the values
Collaboration| Opportunity| Resources| Education
- “PILLAR/BUCKETS”: Indicate any preference to use different words or language to describe the “pillars/buckets” **Students| Programming/academics| Community| Employees| Facilities**
- EVERYONE: Please provide at least one primary goal per “pillar/bucket” (Feel free to dream. Utilize our previous input, talk within your circles. Input what rises to the top as a goal(s) for each bucket.

Deadline for homework: Sunday night, November 3

Next meeting – November 6
